

INDIGENOUS WORLD PEACE TREATY

Preamble:

“To All Whom These Presents Shall Come.”

This Is An Archaic, Formal Legal Phrase Meaning To Whom It May Concern. It Serves As An Introductory Greeting In Proclamations, Public Documents, And, In This Case, **International Treaties**.

May All Nations, Tribes, And Indigenous Peoples Worldwide Combine Their Efforts And **“Build A Better World.”**

This **“Treaty”** Is To Ensure That All Tribal Nations, Empires, And Indigenous Peoples Worldwide Obtain The Proper Status, Representation, And International Recognition By Way Of The United Nations And Countries/Nations/Member-State Parties To The **UN Charter**.

Each Mandate, Resolution, And Convention, Signed By Said Parties With Multilateral Treaties Under The UN Charter And General Assembly, Must Honor And Acknowledge The Rights Of **Indigenous Peoples**.

All Indigenous Peoples/International Treaty Parties To This Agreement Shall Enforce Signed International Agreements, Including And Not Limited To, ILO Convention 169 (Indigenous And Tribal Peoples Convention, 1989), United Nations Declaration On The Rights Of Indigenous Peoples (UNDRIP), And UN Resolution A/RES/80/191.

These International Agreements Give Indigenous Peoples Their Rights To Autonomy, Independence, And Self-Determination. In Addition To These Agreements, We Also Have Resolution A/RES/80/182 Adopted By The UN General Assembly 15 December 2025.

This Resolution Acknowledges Our International Co-operative Economic System, While Providing An Established Precedence For Indigenous Peoples To Implement Article 4 Of The UNDRIP And A New International Year Of Co-operatives Every 10 Years. A/RES/80/191 And A/RES/80/182 Were Both Adopted By The UN General Assembly On 15 December 2025.

Therefore, We, As Indigenous Peoples, Now Have The Economic Component Through The Indigenous Water Bank Co-operative (IWB), To Establish The Necessary Financial Institutions And Independent Economic System For Indigenous Peoples To Eradicate Poverty.

Doha, Qatar- 3 November 2025-The International Cooperative Alliance (ICA) Officially Launched The Co-operatives And Mutuals Manifesto (CM50), A Contract For A New Global Economy.

All The Necessary Mechanisms And Tools Are Now In Place For Indigenous Peoples To Unify, Organize, And Mobilize. Organize Locally, Globally, And Take It To The UN Level To Activate The Reinforcements.

The UN Permanent Forum On Indigenous Issues (UNPFII) And Indigenous Peoples' Centre For Documentation Research And Information (DOCIP) Are Two Very Important UN Mechanisms That All Indigenous Peoples Should Be Utilizing.

The Indigenous Water Bank Co-operative (IWB), Worldwide Indigenous Congress (WIC), And The Olmec Empire Of Olman/Ulman Are Here To Assist Indigenous Peoples Worldwide With Properly Onboarding Indigenous Peoples Into The Private Sector, The International Arena, And The International Co-op World Of Economics, Beginning With The Proper Filings, Registration, And **Economic System For Community Development**.

We Can Make Recommendations To The Permanent Forum And Tribal Leaders Can Begin Participating In The Permanent Forum On Behalf Of Their Own Tribal Governments. The Voices Of The Indigenous Peoples Are Very Important At The UN Level. All Member-States/Countries' Obligations Are Legally **Binding Under International Law**.

As Indigenous Peoples, We Must All Submit Our Shadow Reports, Show Up To The Reviews, And Activate The **Special Rapporteur** In All Member States. Beginning With The Recordings Of This World Treaty, We Can Ensure All Tribal Nations, Governments, And Their People Are Properly Registered And **Internationally Recognized**. Real Indigenous Peoples Already Know That Federal Recognition Only Means **Federal Regulations**.

The Way Forward, Fellow Co-operators And Indigenous Peoples, Is Under **International Law**, Not Public Policy And Capitalism. Before Colonization, Indigenous Peoples Such As The **Maya, Aztecs And Incas** Were On An International Co-operative System Called **SUSU**, Established By The **Olmec Nuwbun People** Thousands Of Years Ago.

This, Essentially, Is When The Empires/Kingdoms And Co-operatives Were Thriving Throughout The Americas. Emeruka/Amarekee, Now Called America ,Consisted Of A Number Of Co-ops/Susu-aat, Cuchchabal Empires. North America, South America, And Central America Was All One America/Amarekee, Not Separated By Imaginary Borders And Colonization/Colon-Civilizations.

Note: A List Of The Original Olmec Empires And Co-ops, Long Before Colonization And Indian Tribal Nations, Are Herein. A Comprehensive Display Of The Mother Culture Of The Americas Is Important To Note, In Order To Give All The Tribal Offspring The Proper Context Long Before Colonization. Thriving Empires Of Establishment Long Before Colonization.

Just To Name A Few Of The Many Recorded In The Nuwbun Lowhu/

As The Prophecies From The Temple Of Inscriptions Have It, Etnab Is The Record Keeper Of Life, Death, And The Afterlife Of Kings. In Palenque, Chiapas, Mexico, You Can Find The Records Of This On One Of The Longest Hieroglyph Texts In The World. The Deified Apotheosis Is Recorded At The Temple Of Inscriptions.

The Date 6 Etz'nab 11 Yax Is Specifically Mentioned On The Southside Of K'inich Janaab' Pakal's Sarcophagus Lid. The Full Comprehensive Details Of These Cycles Of Life Prophecies Can Be Found In The Cycles Of Life Scroll Written By Yours Truly, King Etnab Shaquan El-Rey©.

Eye Am Just One Of The Chosen Ones Here To Fulfill These Ancient Prophecies Eye Agreed To Fulfill, Following The Closing Of The 2012 Cycle. According To The Tablets, Etnab Would Return With The Crystal Tone Of Co-operation And Would Reintroduce The Original Ancient SUSU System To The Indigenous Peoples.

This World Treaty Is Written Proof Of This Fulfillment. My Commitment Is To Assist The Indigenous Peoples With The Eradication Of Poverty And Reestablishing The System We Were All Once Thriving With Before The Adoption Of Colonization And Capitalism.

All Nations, Tribes, And Peoples In This Agreement Should Establish Their Foundation On Legal Development For International Instruments,

King El-Rey©

International Standards, And Overall International Status Of Their Established Organizations.

Unequivocally, We Must Maintain Our Indigenous Land Rights, Water Rights, And Right To Establish Our Own Financial Institutions. The UN Voluntary Fund May Be A Source Of Income For Some Tribal Nations Whom Are Parties To This World Treaty.

The Indigenous Water Bank Co-op, However, Is Its Own Self-Funding Organization, In The Business Of Providing Clean Drinkable Water That Is Indispensable For Human Health, And Economic Support For Its Shareholders And Indigenous Nations.

Furthermore, We Specialize In Making Sure The Correct Information Is Properly Disseminated To Our Members, Associates, Contractors, Volunteers, Affiliates, And Participants. For Example, The First Nations In Canada Or Kanata, The Iroquois Word For "Village," May Require Some Clarity On The History Of The Original First Nations. Please Allow Me To Give A Comprehensive Breakdown Of The Origins Of The First Nations, Before Getting Into The Contents Of The Treaty Itself.

The Iroquois Confederacy Established That Which Became Affiliated With Conspiracy And Thievery. Therefore, Confederacy Is Not The Appropriate Term To Use In International Treaties.

Iroquois, Originally Known As “Huron Nashoní,” Which Had 6 Nations Underneath It: Mohawk, Seneca, Kayuga, Oníga, Oneída, Onondaga, And Later Tuscarora. The French Invaded And Adopted The Word Algonquin, From The Indigenous People’s Meaning “They Are Our Relatives.”

Blackfoot, Cheyenne, Seminoles, Cherokee, Choctaw, Chickasaw, Muskogean, And Algonquin. These Tribes Were All Related To Each Other From The Original Xi/Shi People Of North America, South America, And Central. Some Also Came From Asia With Titles Such As Mufundishi, Meaning Grandmaster, And Shidoshi, Meaning Teacher Of The Chivalrous/Warrior Way. Through The Mother Culture Of The Americas And Asia, These Tribes Were All Related. E.g., Incas, Toltecs, Maya, Zapotecs, Aztecs, Hopis, Washita, Yemassee, And Algonquins, To Name A Few.

The Algonquins, Found In North Carolina, Tie Their Lineage Back To The Algonquins In Canada/Kanata, WHO Tie Themselves Back To The Anishinaabee Olmec People Of North America.

The Words “Turtle Island” And “Land Of The Frogs” Can Be Found In The Passamaquoddy/Pass-Uh-Muh-Kwah-Dee Tradition. Many Of These World Secrets Can Be Found In The Olmec Nuwbun Laghut/Language Called Epi-Olmec.

The Olmec Nuwbun People Were The True Holders Of The Mysteries, The Mystery Language, And They Were/Are The First Born-s Of Nature.

According To The Lowhu Tablets And Records, The Olmec Nuwbun Shi Peoples Built Kingdoms And Empires From Chile Up To Canada On The Pacific Coast And From New York Down To Florida On The Atlantic Coast.

The Epi-Olmec Term For Indigenous Is **“Mahalaws”**, Meaning First Born-s Of Nature. A Term Currently Being Used In Canada To Define What Is Being Referred To As The **“First Nations”** Is Anishinaabeemowin (Ani-She-Naa-Bee-Mo-Win).

This Term Simply Means “Language Of The Good People.” Many Of The World Secrets Were Kept Sacred In The Epi-Olmec Script. The Reason For This Script Still Being Undeciphered By The Scholars Of Today Is Based Upon It Being A Script That Was Safeguarded By The Elites Of The Royal Family.

The High Priests, Shamans, Master Teachers, And Kings Were The Holders Of The Mystery Language. The Language Of The **“Good People”** Was Preserved Amongst The Royal Family Of The Xi (She) Clan Dynasty. They Were Also Known As The **“Mississippians,”** Who Originated The Term Mississippi From The Word “Misi-Ziibi”, Meaning Great Lake Or Great River. In 2008, An International Treaty Of Peace And Friendship Was Signed Between The Atsik Hata Nation In Canada And The Nu Altamaha Olmec Nation/Olmec Empire Of Olman/Ulman.

This International Treaty Was A Very Important Treaty For The World’s Indigenous Peoples To Do Their Own International Treaties With The Worldwide Indigenous Congress, The Original Empire Of The Planet Earth,

And Also The Original International Co-operative Economic System Of The Planet Earth. The Said International Treaty Was Also Authenticated By The Department Of Justice In Canada On 9 June 2008.

The At-Sik-Hata-Nation And Olmec Nation Treaty Of Peace And Friendship Was Made Available To All Members Of Edmonton, Alberta, Canada On **15 May 2008**. Alberta Department Of Justice Authenticated Said Treaty On 9 June 2008, In Canada Province Of Alberta. Receipt Item #0446 13:17TM.

Royal Proclamation Of The Olmec Nation Was Filed In Atlanta Georgia Superior Court, 19 November 2008. Filed By Cathelene Robinson, Clerk of Superior Court Fulton County, Georgia.

On 25 November 2008, Royal Proclamation Of The Olmec Nation Was Certified Apostilled In Kings County.

Certified Apostille No. NYC-10638152A Signed By Nancy T. Sunshine, County Clerk Of Kings County.

President Obama On Behalf Of The United States of America, Signed On To The UNDRIP **16 December 2010**.

On **18 December 2010**, The Indigenous Water Bank Co-operative (IWB) Was Founded, Establishing The Economic Framework Through Which Indigenous Peoples Worldwide Would Begin To Reclaim Their Water Rights And Build Financial Independence.

In **2013**, The United Nations Declared The International Year Of Water Co-operation, Proclaimed By The UN General Assembly Through Resolution A/RES/65/154, Adopted **20 December 2010**. UN Secretary-General Ban Ki-moon Championed This Declaration, Affirming That "Water Holds The Key To Sustainable Development" And Calling On All Nations To Co-operate In Protecting And Managing This Precious, Finite Resource For The Benefit Of All Peoples.

On **25 June 2013**, Secretary Of State John F. Kerry Authenticated The Indigenous Water Bank Co-operative Underground Aquifer Water Rights. **Annexed** Under The Great Seal Of The State Of Georgia, Given **Full Faith And Credit**. (*Annexed Document Authentication Number 13038507-1*)

*"When The **"Full Faith And Credit"** Principle Is Used In The Department of State Authentication, It Certifies That A Document Bearing A State Seal Is Valid And Must Be Honored Across State Lines, Often Using An Apostille or Certificate of Authentication For International Or Federal Use."*

These Are The Legal Precedents Now Being Made Available For The World To See. The Next Steps Are To Make This Treaty Available At The UN Level, Along With All The Names Of Said Nations And Tribes Party To This **International World Peace Treaty**.

The World's First Recorded International Treaty On Record Was Written In "Cuneiform" On A Cylinder Seal Tablet, By Way Of The Akkadian **King Naram-Sin**.

This Was Calculated To Be C. 2250 BCE In Elam Awan, Now Called “Iran.” The Treaty Of Naram-Sin Was The First Royal Treaty Of Diplomacy, And May We Establish This Peace And Friendship World Treaty In Honor Of King Naram-Sin.

The Royal Proclamation Of 1763, Issued By King George III Of Britain, Explicitly Prohibited Colonial Settlement West Of The Appalachian Mountains — Not Out Of Benevolence Toward Indigenous Peoples, But To Protect British Imperial Economic And Fur Trade Interests. This Proclamation Stands As Historical Proof That Even Colonial Powers Recognized Indigenous Land Rights When It Served Their Own Agenda, While Simultaneously Demonstrating The Calculated Nature Of Colonization As A System Designed To Exploit Rather Than Honor The Original Peoples Of This Land.

Since The Public Policy Corrupt World Of Government Continues To Perpetuate This Pattern, May The Indigenous Peoples Find Peace Amongst Themselves And May We Establish Our Own Global World Peace Treaty.

An International Treaty Bodies Council Of Elders Is Very Much Needed For Indigenous Peoples Worldwide. We Can Establish That, Along With An International Indigenous Women’s Rights Organization In Alignment With CEDAW And General Recommendation (GR) No. 39, At The UN.

The Tribal Governments Can Cover Their Own Political Arms, The International Treaties Council Will Cover The Indigenous Peoples’ Legal

Issues, In Addition To Having Various **International Barristers / Attorneys / Lawyers.**

There Is A Quote By A Well-Known Indigenous Lawyer From The Philippines, Name Jennifer Tauli Corpuz, Who Recently Liked My Comment On Facebook Concerning One Of Her Quotes.

“Indigenous Peoples Are Key Actors Who Hold Solutions To The Multiple Planetary Issues Crises. Humanity Must Follow Indigenous Leadership And Wisdom If We Are To Have Any Hope Of Survival.” -Jennifer Tauli Corpuz

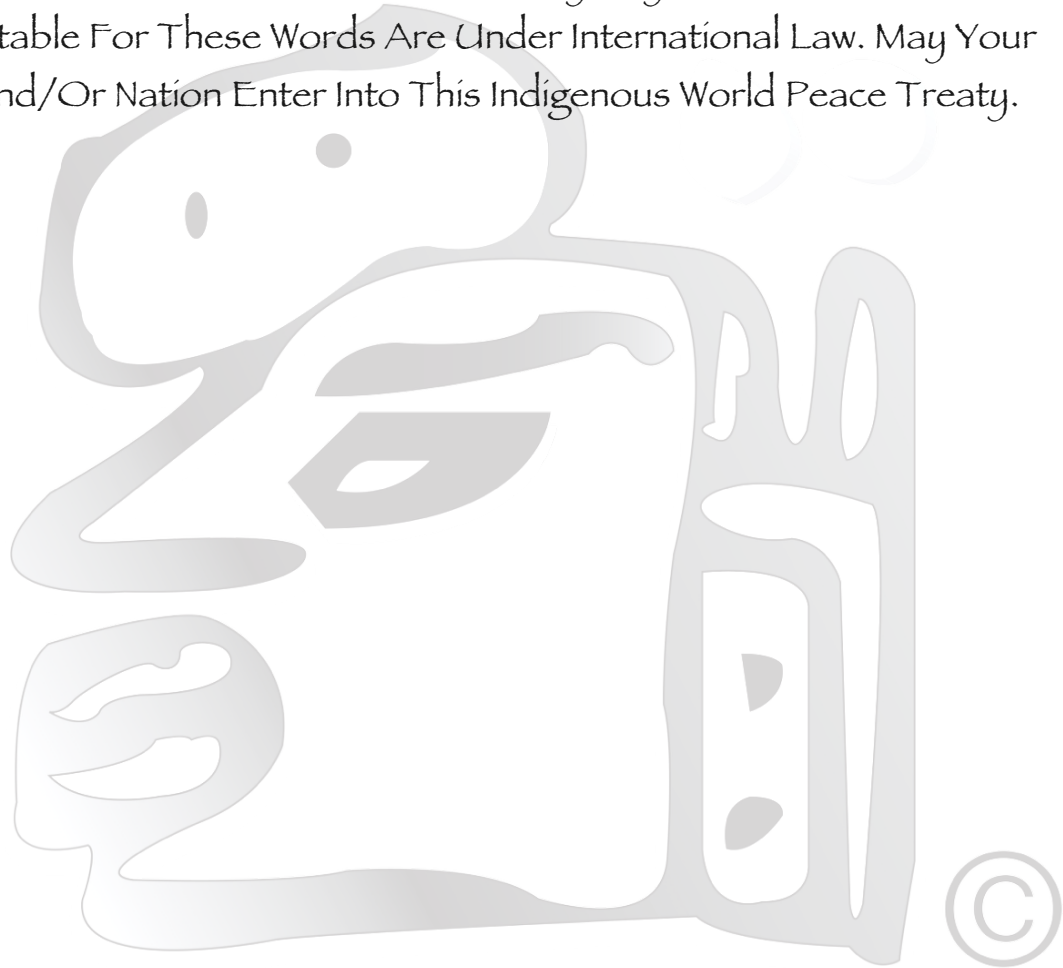

Allies Such As This, In The International Legal/Lawful World, Are Paramount For Indigenous Peoples Whom Are Parties To This World Treaty. The Co-op Already Covers The Economic Component, Food, Clothing, And Housing. Finally, The Indigenous Women’s Rights Organizations Can Assist With The Family Dynamic And The Community

Development. All The Essential Elements To Build A Better World Are Herein Acknowledged. -KESER

According To Article VI Clause 2, US Constitution, *“Treaties Made Under The Authority Of The United States Are Supreme Law Of The Land, Equal To Federal Statues and The Constitution It Self. These Treaties Take Precedence Over Any Conflicting State Laws Or Constitutions, Forcing State Judges To Uphold Them.”*

These Are Their Own Words And The Only Way To Hold Them
Accountable For These Words Are Under International Law. May Your
Tribe And/Or Nation Enter Into This Indigenous World Peace Treaty.
